

The Hayfield Herald

Dance Workshop

On Wednesday we had a very special guest in to lead dance workshops with Bumblebee and Squirrel Classes. Huge thanks to Mrs Large (Chloe and Lauren's Mum) from the Barbara Hooton School of Dance for coming in and doing this for us. The children explored different ways of moving with rhythm to music. They did lots of different activities and the children all had an amazing time and thoroughly enjoyed it! Photos will be on the website later today.

GRAND OPENING NEXT WEEK

Next Friday (27th November) we will be officially opening our incredible Explorer Room and The Rabbit Hole. Parents and Governors are welcome to join us for Celebration Assembly at 9am after which we will officially open our new learning spaces for the children to start using. At Hayfield Cross our learning is based around inspiring the children to explore, discover and use their initiative. We have high expectations for the children and expect them to work independently and collaboratively across the school. These two learning spaces will give the children amazing places to work in either by themselves, in pairs or small groups. Prepare to be amazed and we will look forward to seeing you there. A big thank you to Harrison's Grandmother Mrs Dell'Utri who gave us some fantastic artefacts for the Explorer Room this week.

Craig Charteris Head Teacher

All schools are required to have a 'Mission Statement'. We have decided to have ours a promise as we believe that it should reflect what we do every day and what we want for every child who comes to Hayfield Cross.

The Hayfield Cross Promise

Our promise is to nurture and inspire children to be pioneers of their own futures. Our children will radiate positivity and have high aspirations for themselves and others.

Children will develop depth of learning through rich and exciting experiences and opportunities in and out of the classroom.

Guided by our Christian values, our children will develop a strong moral compass. Valuing and respecting others they will become individuals who contribute to our global community as citizens of modern Britain.

Notices

Thank you for all your donations for our Children in Need non-uniform day, we raised a fantastic £27 ☺

Thanks to everyone who returned our website questionnaires. All ideas have been taken on boards and we will be using them as we tweak the site over the next few weeks. There have already been some changes and it looks great. From now we will be adding more photos to the blog so you will be able to see more of what we are doing as it happens.

Date for your diary: We will be hosting a phonics information evening on the 2nd December starting at 3:30pm.
