

The Hayfield Herald

Thank You Mrs Hollins

Today in Celebration Assembly we said goodbye and thanks to Mrs Hollins who had her last day today as a Lunchtime Supervisor. Mrs Hollins has done a fantastic job over the last few months and as our first Lunchtime Supervisor has helped to develop the set-up of lunchtimes brilliantly as our school has grown. We wish Mrs Hollins the best of luck in the future as she embarks on her new adventure.

The children have been enjoying using The Hayfield Diner this week. Bumblebee class celebrated the end of their Space theme by having an alien party afternoon where they made their own pizzas and alien jelly in the morning which they then had at their party. Squirrel Class have been going to the Diner in small groups to make themselves a dinner of beans on toast (with other ingredients too). It has been brilliant seeing the children using our brand new cooking facilities and loving our new learning space.

We were really proud to hear that Charles from Squirrel Class had won a number awards at the Kettering Eisteddfod last week. Kettering & District Eisteddfod is an annual competitive festival of music, speech and dramatic arts for amateur performers of all ages with a vast number of categories and entrants from schools all over the county. Charles' main performance was a poetry recital and we were really impressed when he performed it for us this morning at Celebration Assembly. We presented his many certificates and two trophies from the event including first place in his age category as well as most promising performer judged against all of the children under 11 which is a huge achievement. Well done Charles! Next year we are going to investigate the possibility of having a Hayfield Cross team participating at the event.

Notices

Term Dates – We have finalised our term dates for 2016-17 and for 2017-18 years. These will be posted on the website shortly in the 'Parent' tab under 'Parent File Downloads'. These will help you in planning ahead for holidays and breaks.

Decorated Egg Competition – We've had a few questions about the decorated egg competition for next week. It is a competition for the children to do at home and there will be prizes for the most original entries under our theme 'Hayfield Cross' to celebrate our first Easter together. Please be as creative as you like and bring the eggs in for judging on the morning of Thursday 24th and make sure they are labelled with your child's name!

Access Road – We presented the petition from the parents regarding the condition of the access road at Governors last night. The Governing Board fully supports this petition and Cllr Roberts has now taken it to the County Council to see what can be done to help us get the road maintained in an appropriate condition. We will keep you informed if there are developments.

TOPS

Don't forget! The Name the Bunny Competition is in the front entrance. All proceeds go to TOPs.
Some TOPs dates for your diary (more details will be sent nearer the time)

20th May – Bingo and fish n' chips night

19th July – School Disco (3:30 – 4:30pm)

15th July – Summer Fayre
