

# The Hayfield Herald

## LEGENDS ROW

This week we completed the first part of The Hub's revamp as we unveiled 'Legends Row'. This will be where the Hayfield Legends are displayed so everyone will know who they are. As our school grows the photo frames will hold the current terms Legend with the rest of the years displayed nearby. This year all of our Legends are on display, in one of the spare frames there is a mirror ('could you be the next Legend?') and in the rest a blank photo entitled 'Future Legend?'. Legends Row is based on a London Street which will give you a clue to what part of the Hub will be modelled on, the rest will be revealed soon!

At our Celebration Assembly today we were really pleased to present a number of sports awards including swimming, football, rugby and majorettes dancing. It is great to share the brilliant things the children are doing outside of school so please remember to send in any awards and achievements they get so we can share them too!

On Thursday we were really pleased to show Mr Jonathon Lewis who is the Assistant Director of Learning Skills and Education for Northamptonshire County Council around our amazing school. We are the only non-academy or free school opened in Northamptonshire in many years and he was very impressed with how far we have come already in just our first year. It is great to have this recognition of all the hard work and commitment that everyone has put into our school to make it such a wonderful place for the children to learn in. After his visit he tweeted:

*'Great visit to @hayfield\_cross – outstanding example of setting up a new school with engaging learning environments'*

*Craig Charteris*

Head Teacher

### Hanwood Park Update

For Hayfield Cross families there will be a presentation in the hall by Cllr Lloyd Bunday (Chair of the East Kettering Liaison Forum) at 2:15pm on Wednesday 4<sup>th</sup> May. He will be sharing the plans about what is happening on the development around us and will be available to answer questions afterwards. We are very grateful to Cllr Bunday for volunteering to do this which he asked to do as he wants to ensure that our school community is well informed about what will be happening around the school in the next few years.

### Notices

**Film Club** – Thursday 5<sup>th</sup> May KS1 Film Club will be Dreamworks **PUSS IN BOOTS (U)** featuring Puss in Boots from Shrek. **Finish time 4:45pm**

**Summer Dresses** – We have had a few enquiries about summer dresses for girls. Girls are allowed to wear summer dresses in the summer and they should be blue to match our uniform. We have contacted our uniform supplier and unfortunately they do not make orange ones!! If you can find one they are also part of the uniform. All of our uniform information and links to the school uniform supplier are on the website:

<http://hayfieldcross.org.uk/index.php/information/school-uniform>

**Lateness** – We have updated our website information regarding lateness. Please have a look at:

<http://hayfieldcross.org.uk/index.php/information/key-school-information>

## PLEASE SLOW DOWN!

Over the last couple of weeks a few of you have spoken to us about people driving too fast coming in and out of the compound. Please can we ask everyone to slow down and ensure they stick to the limit of 5mph whilst in the compound area. This is to ensure everyone is safe especially as there are often younger siblings crossing after the children are dropped off/picked up. Thank You.
