Playing on the Field

The children have had a great time this week with the warmer weather as they have been able to use our lovely field for the very first time. They have had a great time playing and finding ladybirds at break and lunchtimes and we hope will soon be using it for PE too. It is great to finally have the field ready for use and to think of all the brilliant things it will be used for in the future. We have also had the gardeners in this week tidying up all of the planted areas making the outside space look much nicer again.

On Wednesday we hosted a meeting for parents by Cllr Russell Roberts and Cllr Lloyd Bunday about what is happening with the Hanwood Park development over the next few years. A very special thanks to both Russell and Lloyd who volunteered to do this meeting for us. Both of them are passionate supporters of our school and wanted to ensure that our school community are well informed about what will be happening around us. At the meeting was well everyone had an opportunity to ask questions and hopefully get the answers to concerns they may have. Thank you all who attended, I hope you found it useful. Cllr Bunday is also the Chair of the East Kettering (Hanwood Park) Liaison Forum and I have asked him to let us know when the future meetings are so we can share them on HH in case any of you wish to attend.

You may not have noticed but on the website we have updated the Hayfield Herald newsletters section so that when you go to it, it gives you the diary of upcoming events. An easy way to check! <http://hayfieldcross.org.uk/index.php/newsletters>
