

The Hayfield Herald

A Righteous Service

On Wednesday we had a wonderful Worship Wednesday led by Rev. Andy from St. Botolph's Church. It was brilliant to be joined by so many parents at our service this week, it is lovely that you are able to share in collective worship with us. The focus was on righteousness which is linked to our Christian Value of integrity and 'doing the right thing'. We also thought about forgiveness, being sorry when we have done things wrong and trying to put things right. Rev. Andy reminded us about the Easter story and that, even when we do things wrong, Jesus made the sacrifice so that we can all be forgiven and be close to God. Our next WW for families to join us will be led by Rev. Eleanor on the 24th May.

This week the children have been having a wonderful time using the Hayfield Golf Academy Course. It has proven very popular (and challenging!) and we will be posting some photos on our blog soon. We may also add some more holes in the future. If you haven't spotted it already the course is along the bank along the back of the playground and the tee offs and holes are marked with white posts and flags. We are pretty sure we are the only school with its own golf course!

Today in celebration assembly we announced our new Year 3 Big Wigs to run the Awesome Authors Agency over the summer terms. To become a Big Wig this time the interview process (run by our English Leader Mrs Plesca) was to edit a piece of writing to make sure they have the right skills to support the children using the Agency. We will be re-opening the agency in a weeks' time with our new assignment and our new Big Wigs will take up their posts then after their training.

TERM DATES IMPORTANT INFORMATION

Following our message last week about next year's term dates on the website it was brought to our attention that the NCC dates were different. This is because our term dates were set immediately after NCC set their term dates for next year which was actually done in 2015. Unfortunately they subsequently updated them which we missed. This has affected the February half term and Easter holiday dates. The updated dates will be sent with this HH and are updated on the website. Please ensure you use these when arranging and booking holidays for next year. If you have already booked a holiday that will be affected by this change please contact the office immediately. We apologise for any inconvenience caused.

Notices

Neon Disco – Don't forget to return your slips for the fantastic TOPs Neon Disco on Friday 19th May

Mud banks on access road – It has been brought to our attention that children have started to climb and walk along the large mud banks along the access road. Obviously this is not on school property but we really would encourage parents to not allow their children to do this. These hills are the earth and detritus dumped there when the road was built. There is broken wood, metal and glass in these piles which could be dangerous for the children and the banks are also not stable, especially at the back, so could collapse.

Parent Forum - Don't forget we are hosting our first Parent Forum next week. If you would like to be involved please make sure you complete and return the slip sent out this week.

Little Princess Trust (www.littleprincesses.org.uk)

Sienna in Year 3 has now had her hair cut to donate to the trust and has already raised an amazing £280 for the charity – well done Sienna! She will be collecting for another week and there is still a box in the entrance foyer if you would like to support.
