

The Hayfield Herald

Our Stunning New Website hayfieldcross.org.uk

We are very pleased to announce the launch of our brand new full website www.hayfieldcross.org.uk which will replace our old information site from today. As you will see the new website has all the school information and looks much more awesome and stunning than the old one. We were aiming to create a site that is fresh and impressive, just like our school. There will be more and more added to the site in the coming months including information about the classes, class blogs (so you can stay updated with what the children are up to) and photo galleries of the things we do. We want our website to be really useful for parents, prospective parents and visitors so we will be sending a questionnaire to our parents today in book bags to ask for their help in making sure our website is as good as it can be! Huge thanks to our web designer Chris Elliott (@tapiochre) for the amazing job he has done with both our sites old and new.

This week we had a fantastic Wednesday Worship with Rev Eleanor from Christ the King Church all about our God given talents and valuing the gifts we have. During the assembly Miss Thompson attempted a world record for sorting Smarties with chop sticks and although she tried very hard sadly she didn't break the record. Some of the children acted out the story of a King and his servants and Eleanor showed us her brilliant talent of playing the violin.

We had the pleasure of welcoming six new children and families to our school this week and a couple more to follow in the next two weeks. Freddie and Lewis have joined Bumblebee Class and Oscar, Sebby, Brianna and Alexis have joined Squirrel Class. We know you will all be very happy at Hayfield Cross. It is great to see our school growing and even nicer to hear the feedback people are giving about us in the local community. Just to remind everyone we truly have an open door policy, if you have any worries or concerns at all please come and talk to us first so we can get it sorted. If you like what we are doing please tell everyone else 😊

In other news, the Rabbit Hole and Explorer Room are nearing completion and we will be officially opening them soon which you will be invited to.

Notices

On Friday 13th November it will be Children in Need day. In the future we plan to celebrate days like this with special events to raise money. This year however we are keeping it modest with a simple non-uniform day. All we are asking for is a donation of £1 for Children in Need to not wear uniform on Friday.

Remembrance Day poppies are now available from the school office. We are asking for £1 donation to this very worthy cause for a poppy which will support the work of The Royal British Legion. In assembly on Thursday we will be talking about Remembrance Day and observing a minute silence.
