# TEAM ORANGE PARENTS

Official Communication TOPs Parent Association

## Introducing our NEW COMMITTEE

BY KAM PHULL

Thank you to all those that attended our AGM today! October is always a time for TOPS to reflect, take stock and get energised for our new year ahead.

As part of our yearly election, I am very happy to announce our new TOPs Committee. The ship will continue to be steered by Julie - who will be joined this year by Rachel, Fiona, Bernadette, Gayle and Sophie. A warm welcome to our new committee members - please do give them a wave when you see them about the school!

TOPs main goal is to inject some much needed fun and excitement this year, and it was so wonderful to see the smiling excited faces when they met our Scarecrow for the first time. Please remember, that all events and activities run by TOPs are in support of funding projects for our school, and the children are the main beneficiaries! So please do take part and help support our school. The Harvest Event will close **Thursday 15th October midday** - please enter and support us!

As always, we invite you all to get involved - it is difficult right now, but working together we can achieve some community happiness - so if you'd like to get involved, speak with someone from our team - or email us at [TOPS@hayfieldcross.org.uk](mailto:TOPS@hayfieldcross.org.uk)
