HOMework

- Year 6 will be completing their homework online using Doodle Learning; this will be set weekly on a Tuesday.
- Once they have completed their baseline assessment in school, they will be expected to complete 15 minutes of English and 15 minutes of Maths each week. There will also be the option to play games, do additional study and they will also have access to Doodle Spell and Doodle Tables.

- Every term, homework ideas which are linked to the current topic are shared on the school website.

- Our PE day is a Tuesday.
- Earrings - Earrings must be taken out for PE so please do not have these done during the school year.

- Summer - *Where in the World?* - a study of the Ancient Maya Civilisation

STATUTORY ASSESSMENTS

SATs will be completed between 13th - 16th May 2024. They will be assessed in grammar, spelling, reading, arithmetic and reasoning. The tests help measure the progress pupils have made and identify if they need additional support in a certain area. The tests are also used to assess schools' performance and to produce national performance data.

Children will be prepared by completing regular assessments during Autumn and Spring terms, and working through SATs style questions.

As SATs approach, the children will practise past SATs papers, so we would ask that you please not complete these at home as practise or with tutors, as it can provide false data.

PGL – CAYTHORPE COURT

24th – 26th June 2024

Year 6 go on a 3 day residential to Caythorpe Court in June. The children get the opportunity to experience adventure activities on land and in water. It's great for their personal development and confidence building, and each challenge helps children reach further and achieve more!
